25X1 34. [] LIAISON Met with Angelo Codevilla, Senate Select Committee on Intelligence staff, and told him I was planning the agenda for Senator Malcolm Wallop's (R., Wyo.) orientation briefing on 9 November and would appreciate any suggestions Codevilla would have about Senator Wallop's special interests. Codevilla said Senator Wallop was particularly interested in Western Europe and strategic weapons. I told Codevilla that perhaps we could have the two appropriate NIO officers present at the lunch Mr. Blake is hosting.

25X1 35. [] LIAISON Met with Senator Robert Morgan (D., N.C.), Senate Select Committee on Intelligence, briefly at the Senate Select Committee on Intelligence substantive intelligence briefing. Senator Morgan said he had been making numerous speeches on Panama and wondered if we could provide some maps to assist him. He indicated he had been using some slides but that maps would be more useful. I agreed to check on this for him.

25X1 36. [] BRIEFING Accompanied Jim Lilley, NFAC/NIO/China, and [] NFAC/Associate Congressional Support Officer, to the third biweekly substantive intelligence briefing of the Senate Select Committee on Intelligence. [] covered a few items 25X1 of current intelligence interest and the bulk of the presentation was a discussion by Mr. Lilley of his recent trip to China with former Director George Bush. Senators Birch Bayh (D., Ind.), Gary Hart (D., Colo.), Robert Morgan (D., N.C.) and John H. Chafee (R., R.I.) attended parts of the briefing as did numerous staff members. (See Memorandum for the Record.)

25X1 37. [] LIAISON Met with Jean Evans, Senate Select Committee on Intelligence staff, and discussed his request to review [] 25X1 [] I told Evans that we would have an Office of Security official review the file and answer questions on the materials in Evans' presence but could not respond to any questions about [] 25X1 [] I said, however, we would be able to discuss his bona fides etc. and other topics of importance to the Committee and I said the best person to do this was out of town and we would try and arrange this for next week. This was satisfactory to Evans.
